METAMORPHOSIS:

A marked or complete change of character, appearance, condition, etc.

The **1983 ORION** represents the various stages of metamorphosis we all experienced. The stages of metamorphosis a butterfly advances through include becoming a caterpillar, cocoon, and finally a graceful butterfly. Each member of the class of 1983 has passed through stages of a different type of metamorphosis. The final product of the metamorphosis is not a butterfly but a responsible, useful citizen, and a bright young adult. Upon entering the doors of elementary school our lives were transformed. Each of us began in primary school knowing very little and experiencing even less of life. We should never forget the years we spent in elementary school practicing our vocabulary by reading. Without having first mastered those basic skills, we never would have had the ability to advance to the secondary school. With a little more knowledge and experience we entered secondary school. We were ready for a slightly more difficult challenge, and we took this challenge with pride. Each of us spent time not only learning higher math and more difficult words, but also learning about each other and the world around us. Those first two stages of our lives were very important, and there are many factors which contributed to the success of their goal. One such factor is the availability to grow through clubs, music, and sports. These organizations have allowed us to grow socially together and have taught us the meaning of cooperation. Another factor which assisted in our progression through the first two stages is the quality of education we received. Our administrators, teachers, and parents have taught us what we need to know to experience life fully. It is with confidence, therefore, that the class of 1983 leaves the doors of Daniel Boone High School to make its mark on the world. We have, after many years, completed our stages of metamorphosis. Just as the butterfly is graceful and beautiful, the Daniel Boone High School class of 1983 is young, bright, full of knowledge, and truly ready to spread its wings into the awaiting world.

The 1983 Orion Staff, a group of dedicated seniors, has worked to produce one of the most successful yearbooks ever. Each person on the staff had his own personal responsibilities. The Layout Staff, Write-up Staff, Business Staff, and Editors started on page one and worked diligently until the yearbook was completed.

The Orion Staff held an assembly, and also wore "Orion Staff" T-Shirts to help promote the traditional sale of the yearbook.

Although at times there was much confusion and frustration, they managed to cooperate and design an original volume of memorabilia.

Many thanks go to Mrs. Buch who spent endless hours of time with the staff, and everyone else who helped the staff produce a successful yearbook which they can be proud of.

Language Club

The newest club at Daniel Boone, the Language Club, with a membership of about 120 French, German, and Spanish students, got off to a rousing start. The club decided to replace the traditional president and vice-president offices with a triumvirate, comprised of a representative from each language. The club elected Dave Angstadt, Renee Adams, and Lissa Elliott for the triumvirate positions, with Scott Reitz as Secretary and Angela DiGuglielmo as Treasurer. The language teachers, Mrs. Buch, Mrs. Klinger, and Mrs. Reed worked together to organize and advise the club. The club celebrated customs and festivals observed in the represented countries, along with other activities such as Christmas party, and Christmas caroling.

Comin' back for more!

The annual International Dinner gives students an opportunity to experience foreign cuisines. Guests taste a variety of dishes created by Daniel Boone language students. Some of the delicacies sampled include Sauerbraten, Paella, and Turkey Normandy. Juniors and Seniors studying a foreign language provide the original decorations. Seniors can finally be first in line, while the Freshman complain about a lack of food. Students always enjoy this event and depart bidding each other adiós, Auf wiedersehen, and au revoir.

Germany and Sweden meet at Daniel Boone

Dear Orion Reader:

To live in the United States for a year is a big opportunity. Not only that I will learn the language, but I will also learn about the American people, the teenagers, the culture, and the life style. Life in the United States and Sweden is very different. In my country you must be eighteen years old to drive a car, the boys must serve one year in the military, and the school system is very different from yours. We start school when we are eight years old, and then there are only nine compulsory years. After that we can go on and study in the "Gymnasium", or start working. In the Gymnasium we can learn a profession, or just study something in general. We don't have anything like passes, which confused me in the beginning. We have longer breaks and free food, but we don't have any clubs, sports, or even school spirit, which I think is wonderful at Daniel Boone. During my time here, I lived with a family where I am just a family member. Sometimes it is difficult, and I get homesick, but because of all the nice people I've met here, I think my year in the United States will be the most memorable year of my life.

Tina Eskilsson

Hi, my name is Barbara. I came from Hamburg, West Germany. I am attending Daniel Boone High School in 11th grade for one year. The reason I came to the United States is that I was always very interested in other countries. I really travel a lot, but the only way to get to know another land and the people is to spend a long time there. I like America and most of the people I have met. Basically, I am very happy here, but, of course, a lot of things are very different and it took me a long time to adjust to things like school or specific American customs. (I don't even understand football!) School, for instance, is too fast for me. Three minutes of terror and panic in the halls, control and authority everywhere - a new experience indeed! On the other hand, I learned a lot by comparing the American way of life to the life style I was brought up with. I also discovered that some United States citizens have a very different opinion about Germany or Europe than I have. I enjoy seeing my country from another point of view. All in all, it is a very interesting experience.

The United National Club acquaints people with the functions of the United Nations and familiarizes people with different countries of the world. The main objective is to promote a better understanding of the world community. The club began last year with Mr. Remley as the advisor and is currently co-sponsored by Mrs. Bigelow. U.N. Club members attend conferences at Muhlenburg, Governor Mifflin, Reading, and Pottsgrove High Schools. The members get together and choose a country to research and debate. The U.N. Club's goal for this year is to try to compete outside of Berks County and bring home a team trophy.

Advisor Dawn Reiter and Editor-in-Chief Rhonda Jackson.

The newspaper staff, once again under the supervision of Mrs. Dawn Reiter, produced The Frontier News.

This year's staff, the largest in recent years, consisted of approximately twenty members. Rhonda Jackson edited this year's paper.

The highlight of this year's Frontier News was the Senior edition which came out in June. This year the members of the Senior Class received their paper free of charge.

The staff tried to produce an issue every month and employed new selling tactics by selling copies during lunch instead of before homeroom. By this method they hoped to sell a greater number of copies and attempted to net a profit.

Mrs. Reiter said the staff collaborated to produce a paper of which the content better suited the wants and needs of its readers. These efforts made this year's Frontier News the best yet.

Daughter Of American Revolution

Tanya: Ein Schönes Mädchen

Every year one student from the senior class is selected to receive the DAR award for Daniel Boone. This year Tina Kennedy was chosen to be our 1983 representative. The winner is selected through a vote by the senior class based on the qualities of dependability, service, leadership, and patriotism. The high school Faculty then chooses from among the top candidates. Tina is involved in many activities including band, chorus, and yearbook. The Daniel Boone Senior Class of 1983 is proud to have Tina as it's DAR representative.

This year the Daniel Boone Senior Choir, open to anyone in grades 9 thru 12, was composed of about 60 students. These musically talented students, under the inspiring leadership of Mrs. Weinhold, practiced hard during autumn for a Christmas Concert where they sang Christmas carols from different countries. They also entertained the Senior citizens at the Interact Club's Senior Citizen dinner. Twice this year they sang for handicapped patients at Wernersville State Hospital. In spring, the Senior Choir hosted the Second Annual vocal Jazz-/Pop Festival with Gene and Audrey Grieras, guest lecturers. As the season ended, the choir performed as a show choir and participated in the senior high spring concert where they sang more popular songs.

Chorale

Each year a handful of students are selected from the Sr. Choir to perform in Chorale. This year's chorale consisted of ten students who have worked together to achieve a well balanced and blended vocal sound. The chorale, along with the Showchoir, designed their own choreography for their appearances. The Chorale performed successfully at both the Christmas and Sr. High Spring Concerts.

Junior Band / Junior Stage Band

The Junior band had a strong season under their new director, Miss Linda Texter. Miss Texter did a wonderful job, and it certainly showed when they performed at the Christmas Concert. The band also performed in the Halloween parades and at the Homecoming game. These talented young musicians worked very hard and are looking forward to many prosperous years in the Senior high ensembles.

This year's Junior Stage Band, under the direction of Miss Linda Texter, was an ensemble open to anyone in the seventh through ninth grades who enjoys playing jazz, jazz-rock, and other pop styles. They had a great performance at the Spring Concert and also performed for the elementary students. These experiences helped to prepare the musicians for Senior Stage Band. After listening to their outstanding performance, we know the music department has a bright future.

The Junior Chorus, directed by Mrs. Deborah Weinhold, consists of seventh and eighth grade students. While a member of this organization, the singers' voicings are determined, and the members learn to read the musical scores. It also prepares the members for Senior Choir. Although the group was small this year, they had fun. This year they presented a concert entitled **A Saturday Morning Cartoon Review**. During this concert they were visited by Fred Flintstone, Scooby Doo, Yogi Bear, Kermit the Frog, Miss Piggy, and Mickey and Minnie Mouse. This group shows a promising future for the Senior Choir.

County Chorus

This year, the Daniel Boone Choir placed nine of its members in the Berks County Chorus. All singers must audition for these positions. They then participate in a day of extensive rehearsal where they prepare for a joint concert. This year's concert with the County Band and Orchestra was held on January 28 at host school, Conrad Weiser.

The 1983 District Choral Festival was held at Easton High School. During this time, the sole Daniel Boone participant, Tina Kennedy, resided with a host family from the Easton area while taking part in the Festival. In making District Chorus, Tina was eligible to audition for Regional Chorus. She met the challenge and was accepted for a position in this fine group of singers.

Each year musicians of Berks County Schools are invited to audition for a spot in the Berks County Band. To be considered for a seat in the group a musician must perform a required solo, scales, and sight reading. The two judges present in the audition score the musicians on their performance. Those making the ensemble then participate in a day and a half of rehearsal in preparation for a concert held later that week. This year, Daniel Boone placed five musicians in County Band. The concert was held January 28 at Conrad Weiser High School and featured a band directed by Dr. Kenneth Laudermilch, from West Chester State College, along with orchestra and the chorus.

District Band Regional Band

District Band consists of the top Musicians from schools in seven neighboring counties. This year, three students from Daniel Boone successfully auditioned for a position in this select group of musicians. The 1983 Festival, directed by guest conductor James R. Smith, was held February 17, 18, and 19 at Flerwood Area High School. While at Districts, students are then eligible to audition for a seat in Regional Band. Two Daniel Boone members of District Band, Tina Kennedy and Kris Simms, achieved this honor. The astute group gathered at Williams Valley Senior High School on March 25 and 26. Under the talented baton of Robert Zellner, the band rehearsed for these concerts.

Lori Dean, Donna Krickzy, Vicki Sweeney

This year's Football Cheerleaders under the leadership of co-captains Lori Dean and Vicki Sweeney, did an excellent job of encouraging school spirit and supporting their favorite "men," the Football Team. Each cheerleader had a senior player to whom she was a "secret pal." Every Thursday she would leave her football player something special. On Halloween the cheerleading squad had a party for the guys and each girl revealed her secret player.

All the senior squad members will always remember the 1982 football team's exciting season, and the entire 1982 cheerleading squad appreciated the special support from their great advisor, Mrs. Krickzy.

The Junior Varsity Football team had an excellent season with an overall record of 8-1. Coaching this cooperative, eager team were Mr. John Harrline and Mr. Rick Mauck. The team worked very hard at practices and devored all their energy to winning the games. With Bill Ballier and Dave Martin playing rough defense and the offensive linemen, Mark Messner and Jim Tiersworth playing consistant offensive games the team couldn't go wrong. The most valuable player was Greg Beasley, who also led the team in touch-downs. The team not only went undefeated in the county league, but was also in the In-ter-Country Champs! Congratulations J. The Freshmen Football team had a great season of exciting football action. Coached by Mr. Jacobs and Mr. Allen, the team acquired a record of 4-1-1. Jeff Davis, the quarterback, assisted by outstanding running backs Dean Pellicotti and Peter Groth helped the team to score 62 points in four shut-outs, giving up only 20 points. All in all, the team as a whole had a very successful year.

Although this year's Varsity record of 5-5-5 does not signify a winning season. The girls hustled their way to very close or winning games. If ties were not allowed, as in previous years, a winning season would have prevailed. Hockey, thought to be a pleasurable game, requires a determined offense to score after receiving the ball from the strong defensive players. It's a game that requires all 11 players to contribute all they have in order to win. Cooperation is the name of the game.

The 1982-83 Girls' Varsity Team consisted of ten girls, five of which were seniors. Practices began November first, and the start of the season began with a scrimmage against Sr. Pius. The team had a weak start with several losses but improved greatly as the season progressed. With the help of coaches Paul Shuey and Cindy Lykens, the team was able to get the ball rolling in time for the league games. As the team's confidence improved, so did the team's season. Although the team will be losing five seniors, strong players remain to take their places.

Where do you think you're going?

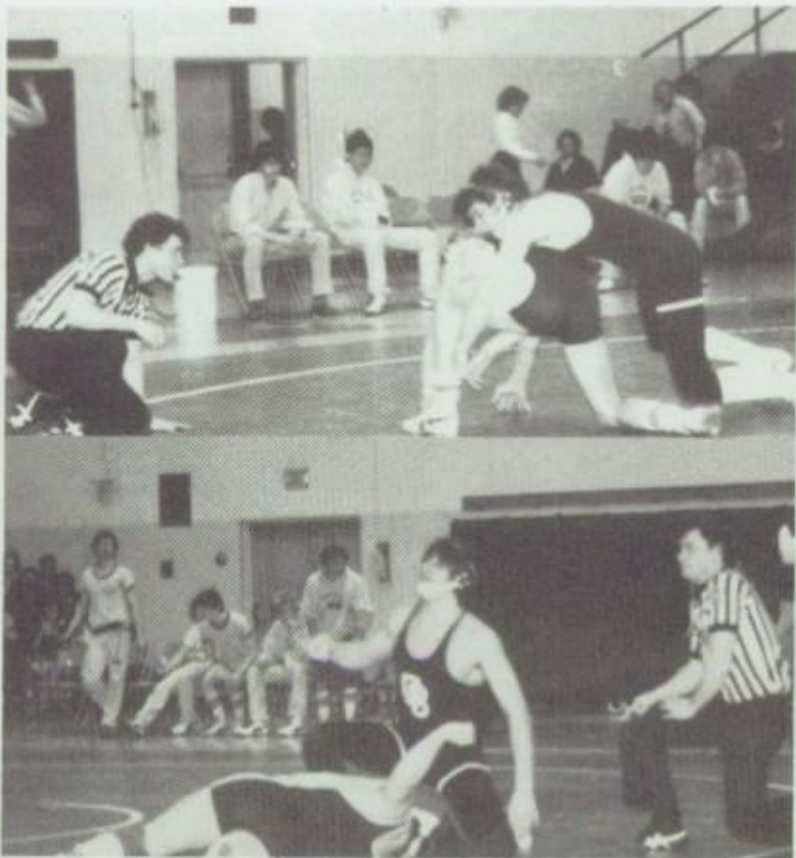

Here we go again!

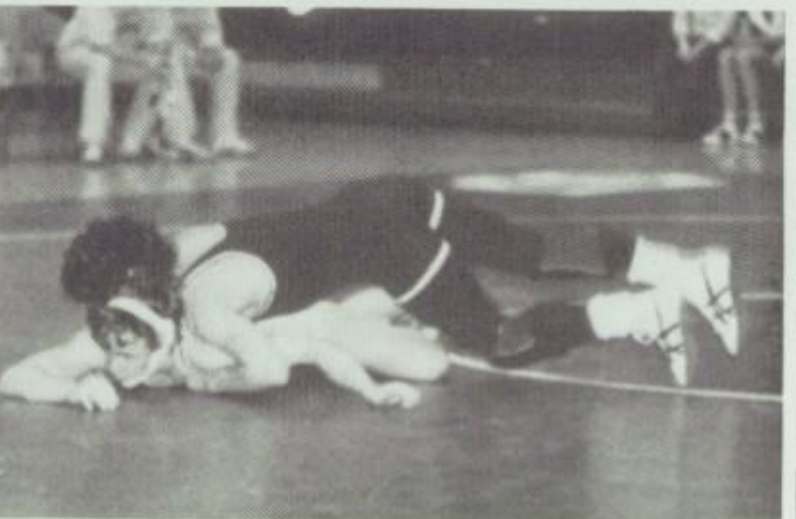

Is this a move?

Which is which?

This year's Varsity Wrestling Team, under the coaching direction of newcomer Mr. Steve Kline and assistant Mr. Ray Shurt, posted an outstanding season with a record of 11 and 2. The highlight of the season proved to be the team's extraordinary defeat of Oley Valley. This win, along with the team's dedication and hard work, enabled the grapplers to clinch second place in their section. With six seniors graduating, the team will have to work extra hard to remain a leader in its section in the upcoming season.

J.V. Wrestling

The J.V. Wrestling Squad had an outstanding season with a 13 and 0 record. The team, coached by Mr. Ray Shutt, consisted of a group of very enthusiastic and determined wrestlers. Although many of their matches were won by forfeit, the team showed great potential and gained much experience. With all this young talent, next year's varsity team can once again look forward to a successful season.

Jr. High Wrestling

Top Row: M. Strauffer, S. Rick, D. Kulp, M. DiMarco, C. Johnson, B. Nagle, J. Delnone. Middle Row: J. Heckman, S. Vlasak, M. Bell, T. Malantonio, M. Meschter. Bottom Row: D. DiGugliemo, M. Rapposcelli, P. Shuey, D. Groth, S. Johnson.

The Junior High Wrestling Program began again this year with Don Weaver (coach) and Greg Yeakel (assistant coach). This was the first in many years that the program was in full swing. It will certainly help these young athletes in their future varsity wrestling years.

Wrestling Cheerleading

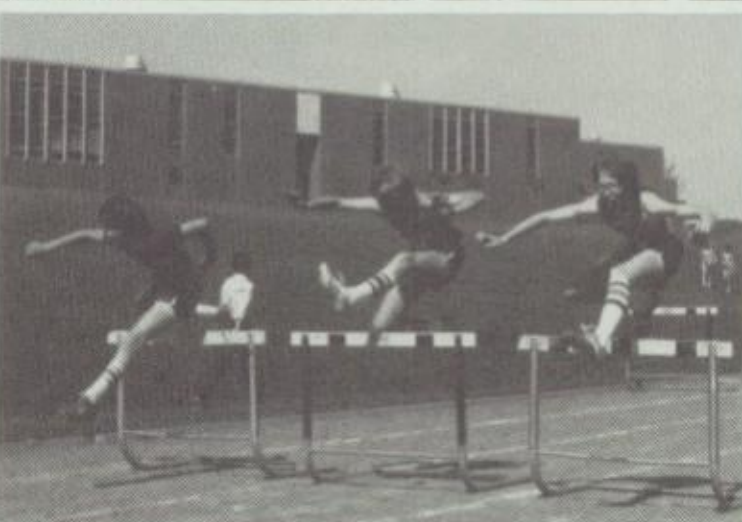

1st Row- M. Clark, B. Klingerman, K. Schraft. 2nd Row- L. Haffer, L. Massy, L. Reis, A. Wolfe. 3rd Row- D. Keonig, C. Bischler, 4th Row- T. Snyder.

The Wrestling Cheerleading squad was coached by Joan Weaver. The squad consisted of 4 seniors: Laurie Reis, Karla Schraft, co-captains Cathy Bischler and Dru-silla Koenig. Besides cheering for the grapplers, the girls showed their enthusiasm by decorating the inside and outside of the wrestlers lockers.

Softball

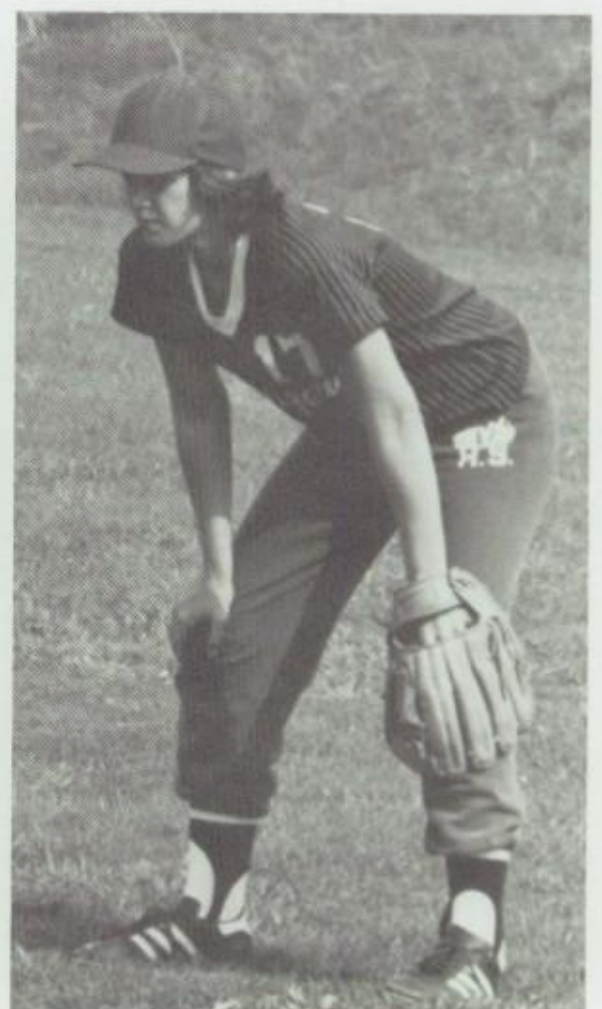

Row 1 (L to r): Donna Richard, Nadine Gill, Lisa Richardson, Barb Moyer, Jill Zuber, Row 2 (L to R): Stacy Kline, Sheila Krouse, Susan Kinder, Renee' Walley, Row 3 (L to R): Lori Massey, Heidi Eastman, Trisha Johnson, Barbie Sheeler, Kim Parsons.

The 1983 Girl's Softball Team worked extremely hard and put forth considerable effort to create a memorable season. Along with all the hard work, the girls still managed to enjoy themselves. The coaches this year were Miss Pamela Hawman and Mrs. Jean Finkbiner. Seniors included Deb Merkel, Barb Moyer, Donna Richard, Lisa Richardson, Barbie Sheeler and Renee' Walley. Although these seniors will be missed next year's team will try to compensate for their loss.

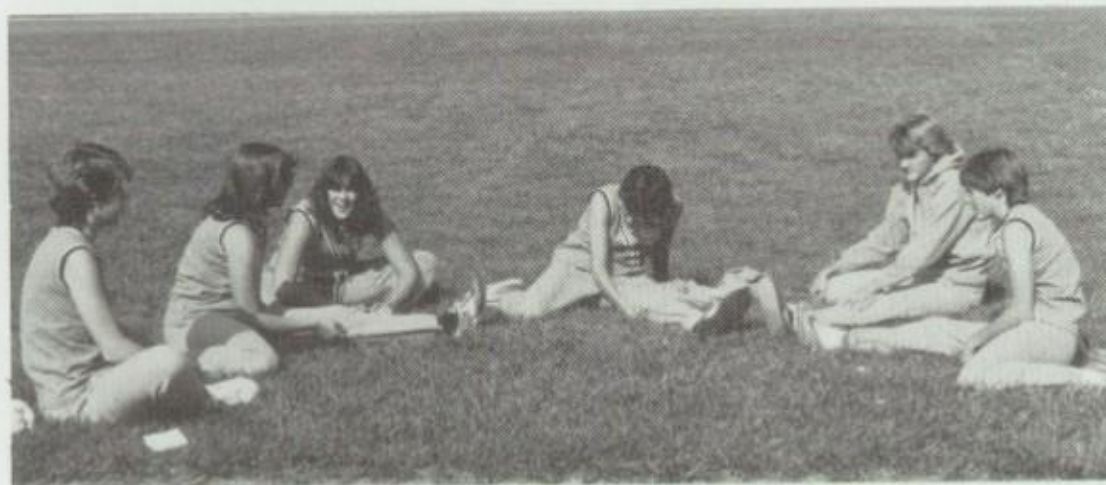

Girls' Track

The 1983 Girls' Track Team under the leadership of Mrs. Kathy Snyder had a very trying year. The team worked very hard, but still they had many good times. Most of the good times were experienced at the County Meets with Steph Secord, Laurie Godshall, Kim Rimby, Jackie Baur, Leah Finkbiner, and Julie Groth. With the loss of only five Seniors, who left their potential behind to the underclassmen, next year's team should be very successful.

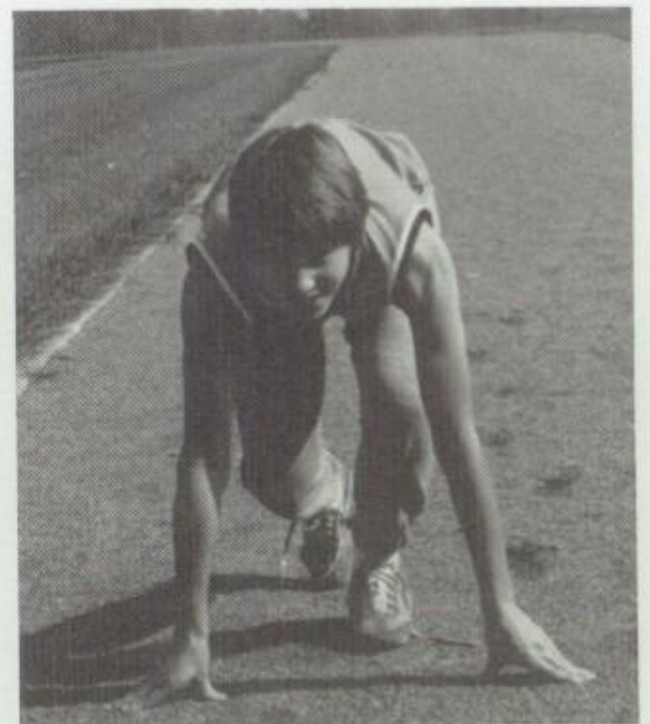

L to R: Deb DeFresco, Laurie Godshall, Mrs. Snyder, Kim Rimby, and Steph Secord.

This year's Boys' Track team, was a group of dedicated, hard working young men under the direction of coach David Booth. This year's seniors had a lot of experience as juniors and were able to give this season their all. This year's team set high goals and each member put forth his best effort to achieve them. Although Mr. Booth's Team will lose several Seniors the spaces will be filled by our many capable underclassmen.

Jr. High Track

This year the Junior High Girls' and Boys' Track teams put all of their time and energy into winning. They proved it by performing their best in their meets, and always showing that they were good sports whether they won or lost. One highlight of the season was competing in the Oley Valley County Meet, where both girls and boys were able to compete against athletes from all the area Junior High Schools.

This year's team loses many seniors to graduation, but also has many returning skilled classmen. The baseball coaches for the 1983 season are: Mr. Mauck, Mr. Hartline, Mr. Swisher, Mr. Civiterese, and Mrs. Flamm.

Scott Jaworski (1966-1982) During his years at Daniel Boone, Scott participated in football, wrestling, track and field and in many other activities and gave all he had in every one. As a member of this year's football team, he played the positions of offensive fullback and defensive noseguard and was a member of the specialty teams. He worked very hard and was greatly loved by every member of the team. His determination, outgoing personality and scholastic ability will be sadly missed by all. His memory will linger in our hearts and minds forever.

In Memory Of . . .

Richard Allen Cooper
Oct. 15, 1965 To Apr. 20, 1980

We, The Class of 1983, would like to acknowledge the absence of our dear friend, "Ricky" Cooper. Although he fought the overpowering odds against cancer, Ricky's courage never faltered. His active participation in Chorale, Choir, Barber Shop Quartet, and Band inspired us to cherish the present instead of brooding about the future. His bubbly personality remains etched in our hearts although he left us in our freshmen year. His love and kindness will always be treasured. With this page we salute our departed friend, Ricky.

Senior Class Play

On April 22 and 23, the Senior Class successfully presented **"Togal Togal Togal"**. This hilarious comedy centered around a high school fraternity, Alpha Beta House, known as "The Zoo." Cast members and audience alike will long remember Melissa and George's big kiss, Miss Woebe-gone fainting, Vegetable's eating habits, meddlesome Mrs. Moontrap, and last but not least—the Toga Party. Advisor Miss Storz, with Steve Cooper as Stage Manager, and D.B.'s devoted "actors" and "actresses" worked many long hours to make this senior play an extraordinary production.

WHEN YOU HAVE A DREAM

*When you have a dream
Don't let anything dim it
Keep hoping, keep trying - -
The sky is the limit!
The class of '83*

Friends

We have made it! Our metamorphosis is complete - - an impossibility without the help of so many whose faces blurred along the way. The **1983** Senior class will always remember the years together, all our times at D. B., and most of all, we will remember our friends

FRIENDS

A shoulder to cry on,
an ear which to bend,
Money to be borrowed,
Clothes that are lent.
Those Saturday night parties,
Late afternoon walks,
Just being together,
Having our private talks.
Mending our hearts,
While crying those tears.
Planning our futures,
Voicing our fears.
These memories together,
From friend to friend
Will be always together,
Eternally friends!

Administration

When a student thinks of an administrator, he thinks of a tyrant, one who sets down strict rules for the student body to obey. This might be true in some cases but here at Daniel Boone High School an administrator's first job is to provide an environment in which each student can grow and learn the skills necessary to [experience life fully]. They work hard to provide a sound foundation on which we can build our lives, thus helping our dreams become reality. Our job, therefore, is to show our gratitude for everything that they, the administrators of Daniel Boone High School, have done for us. **Thank You!**

Here at the end of the faculty section we want to say **Thank you** to those people who have provided us with many fond memories of D. B. We will never forget: dissecting animals, broken test tubes, 'enchanted' lectures, handy dandy calculators, logarithms, verbals, term papers, speed typing, making musical instruments, a second language, and all our knowledge acquired over the years. As we depart we pause to say, "Thanks!"
